The Housing Authority of the County of Monterey (HACM) has made the following progress is meeting the goals in the 5-Year Plan:

HUD Strategic Goal: Increase the availability of decent, safe, and affordable housing.

The Housing Authority has continued to apply for additional Section 8 Housing Choice Vouchers when funding is made available and it has continued to work towards reducing vacancies in its public housing program. The Housing Authority has added 292 units in the County of affordable housing in the past year and continues to review those properties that may need to be redeveloped.

The Housing Authority continues to be a standard performer in public housing (PHAS score 82) and a high performer in the Section 8 Housing Choice Voucher program (SEMAP score 97). Also, HACM continues to manage its Capital Fund Program so that all funds are obligated in a timely manner and work is completed on schedule. HACM has renovated over 25 public housing units in the past year. Finally, HACM has demolished 20 obsolete public housing units and developed 44 replacement units using mixed financing.

Specialists in the Section 8 program continue to educate clients with regards to the portability of their vouchers. Group briefings and individual counseling are used to get information to the clients regarding the program. Landlords are encouraged to participate in the Section 8 program and special briefings for them are also held. Voucher payment standards have been adjusted during the last year in order to reflect the changing market conditions and to increase the number of available units to Section 8 Voucher holders.

Site based waiting lists have been instituted at selected properties in order to broaden the opportunities to rural communities and to reduce the vacancy turnaround time. Project-based Section 8 Vouchers have been made available to new developments in order to increase the supply of affordable housing in the county.

HUD Strategic Goal: Improve community quality of life and economic vitality

The Housing Authority continues to monitor crime statistics and make public housing communities safer through property safety improvements. HACM also monitors the property income levels in order to further deconcentration of poverty and to broaden the income mix of the projects.

HUD Strategic Goal: Promote self-sufficiency and asset development of families and individuals

HACM continues to promote self-sufficiency and asset development by encouraging participants in the Section 8 program to sign up for the Family Self-Sufficiency program. HACM also continues to assist families that are able to become homeowners by utilizing various options including Section 8 Vouchers and working with communities to provide down payment assistance to the clients.

The Housing Authority continues to work with various service providers to better serve those families with special needs including the disabled and elderly populations. In addition, HACM continues to work with local governmental agencies and non-profits to utilize specialized Vouchers such as those for Shelter Plus Care and Family Unification.

HUD Strategic Goal: Ensure Equal Opportunity in Housing for all Americans

HACM continues to affirmatively market its housing programs and make them accessible to those families with special needs or disabilities.

HACM continues to utilize its Capital Fund monies to make improvements at the public housing properties so that all families regardless of need can have equal use of the units or property. HACM remains committed to meeting reasonable accommodation or modification requests in order to provide equal opportunities to disabled families or individuals.
