

Addendum #4

King City Homekey Project

Date: September 03, 2025

To All Interested Respondents:

This addendum is issued to provide updated information regarding the King City Homekey Project, specifically related to the following solicitations:

- #HACM-2025-09 - Flooring Services

The purpose of this addendum is to inform all potential bidders that the Request for Proposals (RFP) will be reopened to encourage additional bids. This action is being taken because the initial number of submissions was insufficient to ensure a competitive selection process. We are seeking more proposals to establish a broader range of options, enabling us to evaluate and select the most suitable contractors confidently.

The new deadline for the RFP submissions will be September 17, 2025, at 5:00 PM.

Thank you for your continued interest and participation.
